

**DOUGHNUT & MOUTH
ON THE BOBBY DAZZLER STAGE**

ATTENTION CITIZENS!

IMPORTANT NEW SAFETY REGULATIONS HAVE BEEN INTRODUCED. FOR YOUR PROTECTION THERE IS TO BE NO SMILING, NO WAVING, NO SAYING HELLO, NO DANCING.

When queer performance artists **Doughnut & Mouth** are booked to perform their risque new show, the Authority quickly moves to crack down on their fun and artistic expression, sending the show spiralling into comic chaos. With an endless supply of interpretive dance moves, follow our unlikely friends as they overcome the obstacles of censorship, embrace surprise and discover the joy of playing it unsafe.

Part clown show, part street theatre spectacle, this laugh-out-loud interactive adventure is filled with anarchic performance, a sensational DJ and you, our dance-floor revolutionaries. With stunning costumes by Allen & Adcock, **Doughnut & Mouth** is Hackney Showroom's timely new show the gloriousness of freedom.

Ideal for festivals, parks, community events and outdoor arts programmes, the show actively engages audiences of all ages while remaining accessible, funny and delightfully anarchic.

HACKNEY SHOWROOM

Hackney Showroom is an independent, artist-led cultural organisation which “delivers spellbinding theatre alongside enriching community building, culminating in a unique excellence that is hard to match” (Gay Times).

We make and tour award-winning, genre-defying theatre productions, collaborating with innovative theatremakers to make astonishing and memorable new shows that change the landscape of tomorrow’s theatre.

Our venue is our development space for theatre projects and offers a year-round cultural programme for our neighbourhood, creating the best conditions for artists and locals to flourish. With a refreshing invitation to local, national and international audiences, we engage a myriad of communities in nourishing cultural experiences that address the problems and possibilities of our times.

THE BOBBY DAZZLER

We are thrilled to to be showcasing **Doughnut & Mouth** on our touring stage, the **Bobby Dazzler**. A visually stunning show-stopper that can drive to a number of locations and be placed anywhere with vehicle access – open air, car parks, streets, town squares, green spaces and riverside locations – it is the perfect addition to outdoor arts event and festivals.
