Thank you for your interest in the role of Marketing Lead.

Founded in 2015, this year Hackney Showroom celebrates our tenth birthday and its a great time to join us.

Hackney Showroom is an award-winning theatre company and grassroots civic arts venue led by Sam Curtis Lindsay and Nina Lyndon. A home for experimental theatre, we work with innovative artists, offering them a rigorous approach to developing their practice and collaborating with them to change the landscape of tomorrow's theatre.

As producers of award-winning and critically acclaimed theatre shows, we tour work nationally and internationally, offering audiences a refreshing invitation to encounter live cultural experiences that address the problems and possibilities of our times. Recent productions include the Total Theatre Award winning *BURGERZ* by Travis Alabanza (pictured) and our latest show, the Offie Award winning *The Legends of Them* by Sutara Gayle AKA Lorna Gee (pictured over).

As well as theatre, we curate festivals and events in London and across the UK and in 2023 launched our new touring stage on wheels, the *BOBBY DAZZLER*.

THE PURPOSE OF THE ROLE

Maximising audience and participation engagement is central to Hackney Showroom's mission.

With a diverse slate of original new artistic projects, this is an exciting time to join Hackney Showroom and we are seeking a persuasive and dynamic person with an original, irreverent voice to communicate with a wide range of audiences, communities and stakeholders.

In a year you'll typically be responsible for marketing: one new theatre production; one touring production; Bobby Dazzler touring (pictured); our year-round Cultural Community Programme (including a children's library, youth club, baby soft play disco, over 60's lunch club, annual street party and kids summer camp); and a mix of public-facing events and activities at our venue. You'll also work with our Venue & Hires Manager to promote our venue for a range of bookings, ranging from private parties to rehearsal hires.

This is a hands-on role and we are looking for someone to amplify our brand, grow our reach and design and deliver campaigns for all our shows, projects and business activities.

You will be someone that has a keen eye for design, your finger on the pulse of underground and alternative arts and culture scenes, an instinct for forming networks and a flair for using storytelling to paint a picture of our work to engage audiences. You're ahead of the curve as a content creator, with strong ideas for sharing content that is original, meaningful and fresh.

If you're excited about what you could bring to the role, we'd love to hear from you!
