

HACKNEY SHOWROOM PRESENTS >>> THE BOBBY DAZZLER!

2024 TOURING

Hackney Showroom has been delighting and surprising audiences with outstanding, radical, inclusive live performance since 2015 and we are thrilled to announce a new touring stage.

The Bobby Dazzler is a visually stunning show-stopper that can drive to a number of locations and be placed anywhere with vehicle access – open air, car parks, streets, town squares, green spaces and riverside locations. It is the perfect addition to outdoor arts event, festivals and private hires.

Hackney Showroom has an impressive track record of producing and curating outdoor work, from our own Disco Loco In the Park festival of culture for 4,000 families in Hackney, to curating the Southbank Centre Summer Sessions over 6 weekends and takeovers at the National Theatre Riverstage, Museum of London, Smithfield Market Street Party and more.

We're adept at creating bespoke arts events in response to briefs and can curate anything from a single set to a full weekend or series of dates. Take a look at examples of our programming - all images of previous events and festivals we've curated - and get in touch to book.

CABARET & QUEER PERFORMANCE >>>

"A staple in London's creative scene, Hackney Showroom delivers spell binding theatre alongside enriching community building. A unique excellence that is hard to match."

Gay Times

Inclusive, gender affirming & irreverent, Hackney Showroom's cabaret offer is a fruity slice of alternative queer London sub-culture.

As well as drag, comedy and musical cabaret acts we have an exceptional roster of cutting edge dance and circus talent.

Plus, alongside a fierce line-up we've conjured finales and magic moments to create lasting memories - from confetti spectacles to balloon drops and laser shows.

Curating bold work for families, our USP is to steer clear of niche children's programming, serving adults and kids simultaneously. We celebrate the family in all its guises: from queer to dual heritage, step, single parent and extended, at DISCO LOCO everyone is welcome.
